VOLVO XC60

Price and Specification | Model Year 2021 | January 2021

YOUR OWN XC60 IS IN REACH

The Volvo XC60 is an evolution of the dynamic Swedish SUV experience, with style, prestige and presence. It perfectly encapsulates both Volvo's XC and luxury values, so whether you're after a refined city drive or an exhilarating adventure, this in command SUV is intuitive to use a pleasure to drive and beautiful to behold.

Contemporary Scandinavian design is inspired by ingenuity and creativity to make the everyday less complex in the pursuit of high standard of living. Volvo's refreshing purity of form stands out in a world of excessive styling. This means a strong silhouette, perfect proportions and an elegance that inspires you every time you drive your car.

Volvo's central interface, Sensus, puts you in control of a wealth of advanced technologies; with its intuitive approach it makes the way that you interact with your Volvo so easy and natural. Sensus gives you all the information you need, when you need it, whilst connecting you to the world around you, making sure that when you are on the road you are never offline.

Volvo's reputation as leader in safety continues with the new XC60, Offering a range of technologies designed to support your daily drive, Known as Intellisafe, these technologies prevent accidents and protect you, helping to accomplish our vision that by 2020, nobody shall be killed or injured in a new Volvo car.
