Volvo Digital Video Recorder

## The Ideal Companion And Safe Assurance For Your Volvo

The exclusively designed Car Digital Video Recorder (DVR) records at a 1080P resolution, delivers quality records of crucial moments with a two channel front and rear camera for simultaneous recording.

The DVR can capture critical events and record detailed video footage from within the vehicle; even at night.

Download footage easily from VolvoCam mobile app using your Smartphone for easy playback and sharing. You can also watch your videos in real time.

In a state of panic situation during an emergency or accident, the DVR will save and auto-lock the video recordings. This intelligent safety recording feature adds additional guarantee to the safety of your Volvo Car.

Have an absolute peace of mind driving journey with DVR installed onto your Volvo Car.
