

## FAQ

### Volvo Cars Summer Internship - Sweden

During which time period does the Summer Internship take place?

The timing and length of Volvo Cars Summer Internship varies depending on location and the area of work. The Summer internship takes place in June, July and August and the length is between 4 and 10 weeks.

In which language should I write my application to the Summer Internship?

Please write your application in English.

What type of documents should I attach to my application?

Please upload your CV/resume, a personal letter and your grades from gymnasium/high school and university together with a description of the grading system in your application. You are not required to attach any type of written references in this step of the recruitment process.

When aiming to upload documents such as my CV/resume, personal letter and grades - I get an error message saying that the files are too heavy to upload. What should I do?

Please try to save the documents together in one file, preferably in PDF format. You can google "Merge PDF" if you are not sure on how to do this. If the attached document is still too heavy, please write us a note about in your application, and a recruiter will follow up about this later during the process.

I get an error message when I send in the application, what should I do?

The error message may be due to system maintenance, please try again later. Please also ensure that you use Google Chrome as your web browser, when applying.
